Project Application for Computing Time on HPC Systems at PC²

Project Title:

Project Classification: Test Small Large

A Organization

Department / Institute:

Postal Address:

Homepage (URL):

B Principal Investigator

Academic Title: _____

Surname: _____

First name(s): _____

Phone (Business): _____

E-Mail (Business): _____

E Project Funding

F Project Duration

Begin(month,year): _____ Duration (in months): _____

G Resource Requirements

HPC system: _____

Core-hours: _____

FPGA-hours: _____

GPU-hours: _____

Memory per core (in GByte): _____

Cores per job: _____

Permanent disc capacity (in GByte): _____

Temporary disc capacity (in GByte): _____

H Software Requirements

I Legal Notices

I have read and accept the terms of use of PC² published at <https://pc2.uni-paderborn.de/go/hpc-terms-of-use/>
Without your approval of the terms of use, PC² cannot consider your proposal.

According to Article 6(1)(a) EU-GDPR I hereby grant permission to PC² to store and process my data according to the data privacy statement that can be found at <https://pc2.uni-paderborn.de/go/hpc-datenschutz>.

Without your approval, your proposal cannot be considered and no use of the HPC resources at PC² is possible.

This consent can be revoked at any time by e-mail to pc2-support@uni-paderborn.de or by letter to

Universität Paderborn
Paderborn Center for Parallel Computing
Warburger Str. 100
33098 Paderborn
Germany

The revocation does not affect the legality of the processing and storage up to that point.

Optional:

I grant the permission to PC² to use my contact data (name, e-mail address) to inform me about follow-up "Call for Proposals".

The permission to use my contact data for announcements of follow-up "Call for Proposals" can be revoked at any time by e-mail to pc2-support@uni-paderborn.de. No consequences arise from not consenting or the refusal of consent.

I grant the permission to PC² to use my contact data (name, e-mail address) to inform me about announcements of HPC events organized by the Paderborn University.

The permission to use my contact data for announcements of HPC events can be revoked at any time by e-mail to pc2-support@uni-paderborn.de.

No consequences arise from not consenting or the refusal of consent.
